Summary

Planning to write a letter about her experience about UK Fast.

What did you plan to do?

Planning together to write a letter, so she knows how to plan for the future before answering a question. Trying to write up a letter as it is a type of a writing format.

What happened?

I explained what a plan is like and showed her an example. I showed J of the steps to follow when she is writing a letter and how to plan. We went through what was said at the trip and any facts that she did not fully understand, so she was able to write about her experience.

Group Response

Was very willing to learn how to plan as she did not know what planning was.

Was very keen in asking questions about the trip, that she did not understand.

Setting Staff and Volunteer Comments

Was very happy with J, as she worked very hard.

Follow-up necessary

To finish off her plan and think about how to start writing a letter.
